

Fuel Management Solutions

One card. Lower costs. Easy Solution.

80% of companies experience a reduction in fuel expenses by implementing a fleet fuel card.

Fuel efficiency and the ability to control the cost of fuel is an important part of managing your fleet.

Our program provides a cost effective way to monitor your company's fuel purchases along with the convenience of the largest fleet card acceptance network in the U.S. The Ewald Fleet Fuel Card features and services can be tailored to meet your fleet needs including: tracking or eliminating non-fuel purchase items, premium fuel usage, multiple daily fill-ups and overfilling of tank capacity.

Gain control of fuel expenses.

The road ahead just got easier.

Fleet fuel management tools to help you manage, control, and track fuel expenses.

The Program

- No monthly fuel card fee
- Each fuel card is set up with a PIN and purchase controls for each driver
- Acceptance at 98% of stations across America
- Over 30,000 locations offer an additional discount on fuel purchases.
- Customer service- 24 hours a day, 7 days a week, 365 days per year
- Captures the highest level of data capture on each transaction
- Monitors and consolidates 99.8% of fuel related transactions
- Web access to robust reporting capabilities and review data in a monthly report package
- Sophisticated purchase controls and expense monitoring including the ability to review transactions to highlight exceptions

The Benefits

- Real-time data access
- Smart Buy Fuel Locator provides online access to the best fuel prices.
- Captures current odometer reading for up-to-date vehicle records
- Customized purchasing controls at card and account levels
- Reduce unauthorized transactions and slippage
- Pertinent data makes it easier to make informed fleet decisions, manage fuel costs, and benchmark your fleet
- Enforce cost-saving policies quickly
- Data is integrated with maintenance management software for a full-view of vehicle expenses
